ASRS Legislation NEWS

Rural Health Insurance Subsidy

HB 2349, public retirees, rural areas, insurance, has continued its trek through the process this week, without any further amendments (see the April 4, 2003 Weekly Report for a summary). The next stop for this bill is Senate floor action in the Committee of the Whole, then Third Read. An amendment is expected on the Senate Floor to add an appropriation to pay for the computer system modifications that are required. The appropriation is from the ASRS administrative fund and not from the State General Fund.

Several legislators have been key in keeping this issue moving: Representative John Huppenthal, Senator Marsha Arzberger and Representative Bill Konopnicki.

Other legislation affecting the ASRS is listed in the attached Quick Reference.
